I Loved this project the most out of all projects I have done. I dressed up this box with all the cute die cuts from Campin' Critters! This is one of my absolute favorite cartridges. I love this to pieces!! Make a box from any cartridge such as Tags Bags Boxes & More, Artiste etc. You can modify it a bit like I did by "unlink" on the size. I didn't care about the top as I was going to cut punch holes in the top for the pops. I used several of the cuts to dress up the box.
