STEP 1

Create your 8"x8" background pages. And mat your 3 1/2"x5" photos with cardstock cut at 3 3/4"x5 1/4." Adhere the photos where you want them on the background page.

STEP 2

Using Folk Art Festival cut two using the border shadow feature, border feature and border-shift feature, all cut at 2 3/4." Adhere the border to the bottom of the pages. Cover the heart with green glitter and add to the page with foam adhesive.

STEP 3

Using Folk Art Festival, cut one using the basic feature, basic-shift feature, and shadow feature. Adhere the layers together, then cut in half and adhere each half to a page. Then "color in" the birds with some Stickles (I used platinum).

STEP 4

Using Cricut Essentials, cut seven using the basic and shift features. Cut them in varying sizes from 1 1/2" to 2 1/4." Adhere the layers together, then adhere the flowers to the page, using foam adhesive for some.
