OTHER MATERIALS NEEDED

- Creamy Caramel Naturals Ivory Early Es
- Ink in Early Espresso Chocolate Chip an
- Spritz in Vanilla Shimmer
- 1 1/4 grosgrain ribbon in Chocolate Chip
- Gold and white or vanilla brads

STEP 1

I used two different base colors for my pecans to mimic the variety you actually get in real pecans. I added them AFTER I put the box together, but you could also do it before. The only pecan I needed to trim was the at the point (what would be the center of an actual pie). I placed my pecans haphazardly because that's how I make mine, but I know that some people like to line theirs up. The great thing about this file, is that they are individual pieces, so you can make it personal by arranging them how you like them to be.

STEP 2

Here is another way to create the whipped cream using spritz. Complete directions can be found at: <http://icameisawicreated.blogspot.com/2011/10/celebrating-pie-week.html>
