BABY GIFT BOX

Design by: JodiefromOz (7 Projects)

About me: I love making and giving handmade gifts, I just wish I had more time to play with my Cricut.

Project skill level: easy

Project time: 30 minutes to 1 hour

Project tags: Boxes/Bags/Tags Baby Shower Feminine Baby Boy Girl BabyCards Baby Décor PartyDecorations/Favors Masculine Gifts

Perfect size for socks, bibs, also makes a wonderful Baby Shower favor box

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Tags, Bags, Boxes & More® 2 Cartridge

OTHER MATERIALS NEEDED

lace

stickles glue

glimmer mist

cardstock

ribbon

pearl

designer paper - spots

strong tape

STEP 1

Tags Bags Boxes & More 2 - page 45

cut 1 <OnesieBx> @ 9" in plain coloured cardstock

cut 1 <OnseBx-s> @ 9" I used plain coloured cardstock, but a contrast colour would be nice also

STEP 2

I wanted to use the pretty spot designer paper but needed the heavier weight of the cardstock, so using CCR

I used <OnesieBx> again, but cropped it to cut just the front side of the box and slightly smaller giving me the layered look I was looking for.

STEP 3

Then using CCR Basics

cut 1 <star> @ 1"

glitter and glimmer & add with a pop dot for dimension

STEP 4

Decorate as you wish - stitch layers (faux or for real)
I used some wider lace around the neck and some narrower lace around the legs
then added a ribbon bow and pearl.
