PROJECT CUT FILES

 Folk Art Mommy LO.ccr

STEP 1

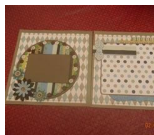

Using the attached CCR file, cut all pieces. "MOMMY" and "YOU" are cut at 1.5" from the Folk Art Festival cartridge. "your" and "loves" are cut from Gypsy Font, at 1.57". Mommy duck (Folk Art Festival) is cut at 2.75" and the baby ducks are 1.5". The "lace" (Folk Art Festival) above the photos was sized and welded on my Gypsy. There are four pieces sized at 0.916" welded together to form one long border. I cut the shadow the same way. The scalloped oval is from Lacy Labels. I had to cut this from my Gypsy as well because the CCR program would not allow me to cut it as large as I wanted. I only wanted part of the oval cut. I added some lace trim detail along the bottom of the photos.
