FOLK ART TEACHER BAGS

Design by: terriski (10 Projects)

About me: I love to scrapbook and make cards. I love my Cricut machines.

Project skill level: easy

Project time: less than 30 minutes

Project tags: Boxes/Bags/Tags Fashion

Teacher Gifts/Cards Grade School

Preschool/Kindergarten Gifts

A canvas tote bag using Folk Art Cartridge

CRICUT®: WHAT WAS USED

Cricut Expression®
Machine with Plantin
SchoolBook and Accent
Essentials®

Cricut Imagine®
Machine

Folk Art Festival
Cartridge

OTHER MATERIALS NEEDED

Square 1 Masterpiece Iron

STEP 1

For this project - I used Square 1 Masterpiece inkjet printable iron on. I didn't want to waste the material as it is semi expensive so I cheated. I measured out how much I would need by first cutting/sizing everything on paper using the expression.

STEP 2

Once I had it measured/laid out I then printed off a 3x11 section of the color I wanted for the letters and then a 4.5 x4.5 section of the red for the apple. Once I had it all printed I let it dry for a few minutes.

STEP 3

I then selected the Font on Folk art for the apple. I used size 4" w/o any shadow/layer - as I knew the base was white and would work ok with this. (Button - Apple)

STEP 4

I then cut out the letters selecting again just the font feature. (For cutting on this printable iron on - I used speed 2, pressure 4, blade 4 - I always use a new blade for just fabric).

STEP 5

Once I laid the design out - I then iron it on with a medium no steam iron. (I liked the little tulips /negative pieces so I used them for the back of the bag). I made 1 for each of my daughters teachers. This bag is a good size for carrying little stuff in school - books, lunch bag.
