

## CHRISTMAS CARD

**Design by:** [Victoria75743](#) (1 Project)

**About me:** I have been crafting since 2006 since i got my first cricut machine. I started out really slow and now that all i ever think about. I have a husband who i am gonna soon celebrate 35 years.

I used the French manor Cartridge. Cut 5 grandfather clocks out glued 4 together one right on top of the other then on back side of the last clock i put acetate to make it look like glass added a cut down florist pin for the pendulum. Added a clock face from my Peachy Keen stamps added an elf and a sentiment also from PKS. I also put a wobble on the back of the elf.
