My daughter has started showing our miniature horse, and will soon start her own full sized horse. With the Christmas holiday fast approaching, and our last name being Christmas, we decided to decorate our mini's stall. For years, we have been looking for that perfect Christmas tree. Using the Christmas cartridge, we used the Swirltree Shadow and welded it to the Sleigh #4 in the Christmas Cards cartridge. We loved the font from the Winter Woodland cartridge and the decorations from the Snow Angels was the missing pieces! We have entered the Stall Decoration Contest at the Cowboy Christmas show! Here's hoping the judges love our Cricut-made Logo and decorative poster!
