FOLK ART HAPPY HOLIDAYS HOME DECOR

Design by: KathieM (1 Project)

About me: I am a business woman by day and an avid crafter by night & weekend. I like to make cards, scrapbook pages, and home decor for the holidays.

Project skill level: easy

Project time: 2 hours to 3 hours

Project tags: Christmas Home Décor/Accents Holiday Holiday Décor Clean & Simple

This project was made using the Folk Art Cartridge. It was made using the Cricut Imagine and Cricut Printable Vinyl, then the images were arranged on a 6x4ft Mirror (frame included in measurement). Since it is on a mirror I had to hang a drop cloth in front of it when I took the picture so you all could see it. I did upload one picture without the drop cloth.
