About me: I love to make cards, mini albums, scrapbook layouts, and paper crafts!!

Project skill level: easy

Project time: less than 30 minutes

This mini card holder can hold 5-1/2 x 4-1/4 cards and envelopes and would make a great gift to bundle hand-made Christmas cards to give as a gift.

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut® Close To My Heart® Cartridge, Artiste

OTHER MATERIALS NEEDED

Pear & Partridge Paper

Dimensional Elements - Holiday

Burlap Ribbon

STEP 1

Using the Cricut Artiste Cartridge I cut the first and second part of the mini card holder at 6" with the solid card stock from the Pear & Partridge Paper from Close to my Heart. I then cut the first part of the mini card holder at 5-1/2 with the patterned paper so I could get this layered look.

STEP 2

After you have scored and folded the holder you can assemble and then glue to complete the finished product. All that's left is to embellish as you desire. I made coordinating cards that you can find on my blog at: <http://www.scrapTasticmemories.com/2012/11/easy-christmas-cards.html>
