Gifts Holiday Décor Playful Geometric

I created this Ornament for the Cricut Ornament Contest. I think it is such a fun and great idea to donate all of these ornaments and I can't wait to see the finished tree!!!

CRICUT®: WHAT WAS USED

Cricut Expression®
Machine with Plantin
SchoolBook and Accent
Essentials®

Cricut® Close To My
Heart® Cartridge,
Artiste

OTHER MATERIALS NEEDED

Patterned Card Stock

Stick Pins

Red Jewels

Ribbon

Hot Glue Gun

Snowflake Punch

Red Jingle Bell

STEP 1

I cut out 20 of the Shift 3d Object from Artiste at 1.5 inches. I used five different patterned papers and cut four circles out of each. I then hot glued one circle from each pattern together to create a 5 piece disk.

STEP 2

Next, I hot glued them together into the ball ornament. The trick is to go slow and make sure there are always five per bunch.

STEP 3

Once the ornament was glued together, I punched out snowflakes from silver paper. I pushed a stick pin through the center of them, creating my own custom stick pins. Then I hot glued them into the gaps of each of the five piece sections on the ornament.

Snowflake Stick Pins

STEP 4

I also added silver ribbon to the top for the ornament hanger and a red jingle bell at the bottom. Once everything was dry, I added red jewels to the snowflake stick pins.

Updlose of Stick Pins and Bell

STEP 5

Lastly, hang the ornament on your tree and enjoy!! Happy Holidays!
