Cricut® Folk Art Festival
Cartridge

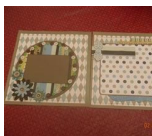

OTHER MATERIALS NEEDED

- Cardstock (Various Colors)

STEP 1

This scrapbook layout page was made using the Folk Art Festival Cartridge. Use any combination of cardstock that suits your color preference. From the cartridge I cut images of the moon, stars (different sizes), letters for "Bliss" using all of the layers, and lastly the border. I distressed all of the cutouts using a distressing ink pad in order to give a nostalgic and dreamy appeal! I also raised the moon and a couple of the stars with dot adhesives to make them pop off of the page. The stars can be made larger or smaller to accommodate photos.
