### CRICUT®: WHAT WAS USED

Joys of the Season  
Cartridge

Cricut Expression® 2

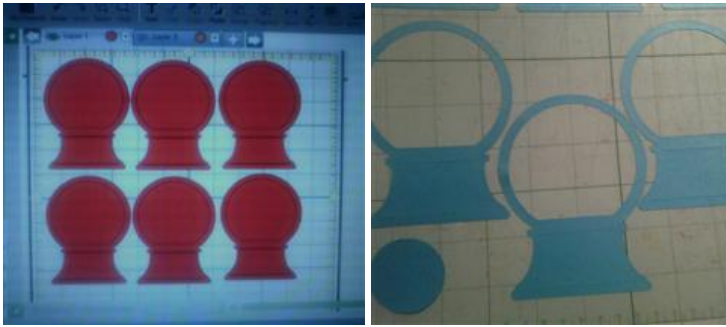

### OTHER MATERIALS NEEDED

cardstock  
beaded ribbon  
vellum  
glitter

embossing powder  
ribbon  
glue

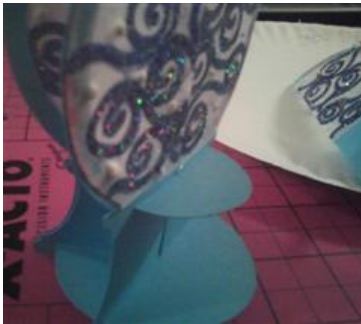

## STEP 1

I began by selecting the snow globe image at 4.5in I then adjusted the layer to be a little smaller and arranged it in the snow globe not welded so that the inside will be cut out. (see pics). Then copy and paste five times for a total of 6 images. I also cut two circles one at 1.75 and the other at 2.5. and three layered images in vellum. Also several snowflakes at .5in.

## STEP 2

Fold all images in half except circles. Use embossing pen and powders to create swirls. Attach vellum to three of snow globes. Glitter snowflakes. Attach snow globe pieces together alternating vellum with empty and sliding circles in slots in base (see pic).

## STEP 3

Cut thin pieces of vellum from scraps and attach to the snow globe, glue snowflakes to vellum strips. (see pic). Embellish with beaded ribbon and small bows. Attach loop to top.
