CRICUT®: WHAT WAS USED

Cricut® George and Basic Shapes Cartridge

Cricut® Essentials Cartridge

Cricut® Alphabet cartridge

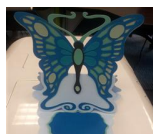

STEP 1

I cut 3 squares from George and Basic shapes, then used a medium hole punch to make a moon shaped opening at top. Added a one inch piece of tissue. The paper I used came from "Black Current" Pack from Joanns. The design is from Cricut essentials. I cut it 4 inches. Added sequens. Then I put a half inch strip on bottom to even front out. ;)
