

## SANTA GIFT BAG & TAG

**Design by:** [paula\\_bee](#) (11 Projects)

**About me:** I love making a variety of crafts, mostly card making, but also scrapbooking and home decor. I have also recently begun using my Cricut to create wearable art.

**Project skill level:** [easy](#)

**Project time:** [30 minutes to 1 hour](#)

**Project tags:** [Boxes/Bags/Tags](#) [Christmas](#)  
[Holiday](#) [Gifts](#)

Create this cute Santa gift bag and gift tag to wrap up some Christmas presents!

### CRICUT®: WHAT WAS USED

Cricut Expression®  
Machine with Plantin  
SchoolBook and Accent  
Essentials®

Cricut® Winter Frolic  
Cartridge

Cricut® Lite Jolly  
Holidays Cartridge

### OTHER MATERIALS NEEDED

- Card stock
- Glitter glue
- Twine
- Adhesive
- Stamps & Ink
- Gift bag

## STEP 1

Cut a square of yellow cardstock and cut a smaller square out of the middle to create the belt buckle. I cut this one freehand, but it would be just as easy to use George and Basic shapes and Cricut Craft Room or the Gypsy. Adhere the buckle to the center of the belt to create the Santa belly bag.

## STEP 2

Using Jolly Holidays, cut using all the features at 2." Adhere all the pieces together and add to the tag. Cover the snow with a white glitter glue, I used star dust Stickles. Using stamps and ink of your choice, stamp a word (in my case, "Christmas") on the sign in place of "North Pole," which is too small to cut nicely.

## STEP 3

Using Winter Frolic, cut <Reindeer-s> using the tag feature. Adhere the layer to the back of the tag. Using stamps and ink of your choice, stamp the "to" and "from" sentiments. Finally, tie the tag to the bag with some twine.

#### STEP 4

Cover a plain white gift bag with red card stock, cut slightly smaller than the bag.

#### STEP 5

Rip some white card stock into a strip to create the fur trim for the suit and adhere down the middle of the red card stock.

#### STEP 6

Cut a strip of black cardstock to create Santa's belt and adhere near the bottom of the bag.

#### STEP 7

Using Winter Frolic, cut and at 2," using the tag feature.
