Add fun decor to your next shower, or baby's nursery. Quick and simple, the hardest part is literally waiting for the paint to dry.

## CRICUT®: WHAT WAS USED

Cricut® New Arrival Cartridge

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut® Stone Script Solutions™ Cartridge

## OTHER MATERIALS NEEDED

- pink card stock
- pearl embellishment
- 2-sided tape
- weights
- ink block
- white cardstock
- black vinyl
- 3"x6" ribbon boxes
- acrylic matte finish craft paint

## STEP 1

Before I Stacked the boxes I put some decorative rocks in the "G" and "L" boxes to keep it weighted down to protect the boxes from getting easily knocked over.

## STEP 2

Gather 4 3"x6" (approx) ribbon boxes. I received these from the local craft store that was restocking their ribbon inventory. Cut one box in half for the "i" and "r". Paint desired colored and wait for them to completely dry. I used Apple Barrel Black Matte

## STEP 3

Cut the paper to the same dimensions at the box, but approximately 1/2 in shorter (i.e. 2.5"x5.5") and ink edges. Adhere to painted box with double stick tape.

## STEP 4

Cut "Baby Girl" using black vinyl and the Cricut Stone cartridge. Attach to paper.

## STEP 5

Cut flower using the New Arrival Cartridge using the white cardstock. It's the flower, with the "blocked out" option selected. Attach pearl embellishment to flower center, then attach to the "G" block.
