JOURNEY WALL

Design by: [SawyCrafts](#) (1 Project)

About me: I am a single mother of an adorable little boy. I don't have a ton of time to scrapbook/craft, but when I do I have a lot of fun!

Project skill level: moderate

Project time: 1 hour to 2 hours

Add some style to your wall just by adding some cute vinyl designs! Any color and any shape can add that touch to make it look perfect.

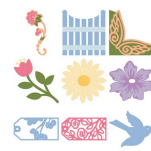

CRICUT®: WHAT WAS USED

Cricut Expression®
Machine with Plantin
SchoolBook and Accent
Essentials®

Storybook Cartridge

Picturesque Cartridge

OTHER MATERIALS NEEDED

Vinyl

Transfer Tape

STEP 1

You can choose any machine that is capable of cutting vinyl. Most of my stencils were cut out on a 12x24 mat so I used a bigger machine.

STEP 2

There are several cartridges with cute and fun images. Pick the cartridge and design that you like for your project!

STEP 3

Create your design and cut!

STEP 4

Transfer tape is the way to go when putting your images on the wall!
