Candy Box for my daughters

CRICUT®: WHAT WAS USED

Alphalicious Cartridge

Cricut Expression® 2

OTHER MATERIALS NEEDED

Ribbon AC Cardstock AC Valentine foil

STEP 1

Use Victorian Romance cartridge, using black AC cardstock.

Glue hearts on, embellish as desired

STEP 2

I found it easier to score the box first on the provided lines and then assemble the box. The sides of the box are scored and glued to the inside of the box.

Cut heart

Fold and assemble heart

STEP 3

I used heart beads and ribbon to decorate the box. I also doodled around the edge of the box and in the middle of the heart to add some dimension.

Glue hearts on, embellish as desired

STEP 4

This was also on the Victorian Romance cartridge. I cut the heart out of AC Specialty Foil paper to embellish the outside of the heart box.
