flowers butterflies and buttons  
swiss embossing folder

paper pink/white and brown/pink

Emboss green flower with swiss dot embossing folder and ink edges with with green. Glue pink flower to the green flower (offset).

## STEP 2

Using Gearge and Basic Shapes, cut to fit within the banner with heavy patterned paper, adjust size using DS. Ink it with pink and glue it to the banner. Cut letters needed for the baby's name in pink and shadow in brown/pink polka dot patterned paper, glue together and place 3 tiny pearls on each letter.

## STEP 3

Glue the flower onto the banner, glue the letters onto the flower or if you prefer, pop dot it. Either way is nice. Insert eyelets in the holes of the banner and tie them together with thread. Put the tulle and ribbon through the holes and tie a bow. Glue lace along top edge of banner. Add flowers, buttons, butterflies, etc.
