STEP 1

I used Cricut Design Studio and a 12x24 mat for the Artiste (3-D box on pg. 78) and Doodlecharms (scalloped heart) cartridges. You need to use the multi cut on your expression for alot of the cuts, especially the glitter paper. The boxes are pretty easy to assemble. On alot of these, I hand cut around some of the shapes, (scallops, some scrolls and the labels). Embossed some tags, the heart and some scalloped edges. Inked edges on some boxes and the heart, plus added the smooch glitter. Finally, added a ton of embellishments.
