STEP 1

Cut out 6 circles in 6 different colors. Fold in half and glue together to form "balloon". Cut out brown baskets, fold in half and glue. I used 2 baskets per balloon for a bit of dimension. Attach baskets to back of balloons with clear string.

Double layer clouds for strength, glue together and ink edges. Punch holes and attach eyelets. Glue balloons to your finished clouds, hang them on your string and whamoo!!! The most beautiful sunshiney banner ever!
