OTHER MATERIALS NEEDED

card stock with bird design

coordinating colored cardstock

liquid adhesive

picture frame

sticky raised dots

STEP 1

Open Cricut Craft Room.
Open Extreme Fonts.
Drag and drop the letters "mornings are for the birds" on virtual craft mat (using standard 2.5 font size)

Mornings are for the Birds

STEP 2

Merge the letters to form the words by overlapping the letters slightly and allowing them to weld.
If using a craft mat less than 12" across, you will need to rotate the words 90 degrees so they fit length wise on to the mat.
Tip-If rotating, first group all of the letters in a word together by clicking on and holding down and across the word to highlight in blue. This allows the entire word to rotate at once, instead of just individual letters.

STEP 3

Cut out letters and glue onto 8" x 10" bird cardstock.
Place inside 8" x 10" picture frame.

STEP 4

Cut out a 2" bird, a 2 1/2" (reversed) bird, and a 3" bird; using Simply Charmed cartridge and colors coordinated with bird cardstock.
Stick birds to picture frame using raised, sticky dots.

STEP 5

You're done!!
