EXTREME FONTS CONTEST ENTRY

BIRTHDAY CARD

Design by: JennieA (1 Project)

About me: I have loved crafting since I was a little girl. Within the last couple of years I have gotten into paper crafting and have really enjoyed creating cards, mini albums, etc. with my Cricut.

Project skill level: easy

Project time: less than 30 minutes

Project tags: Birthday Feminine Cards

Playful

I used the Extreme Fonts Basic Font to write 'Happy Birthday' on the front of my card using my gel pen attachment for the Cricut Expression. This is a sweet little card featuring the ladybug cut from the Nursery Rhyme cartridge.
