PROJECT CUT FILES

tag card.ccr

STEP 1

I created this in CCR and have the cutfile for you to download. I created a card to fit on tag from Art Philosophy perfectly.

STEP 2

Here is the papers I used and how I have them on my mat ready to be cut.

STEP 3

I inked the edges of all the paper and flocked the teddy bear. I have more details and videos on my blog.

STEP 4

This is the inside of card, I used the cuttlebug on the white metallic cardstock and used blue glitter card stock for from Nana and the shadow was black metallic card stock.
