PROJECT CUT FILES

 [kitchen decor.ccr](#)

STEP 1

I cut 3 square shapes for the wall decor using my E2.

STEP 2

I printed the paper from Kate's Kitchen using my Imagine and cut that to the same size using my E2 and Gypsy.

STEP 3

I used the Extreme Fonts in the CCR to design all the lettering with the exception of the number 10 for the coffee decor. I used the Gypsy font for that. I used Suburbia for cook, tea pot, coffee pot and cups. I cut all of these with my Mini.

STEP 4

I punched holes in the corners and ran wire through each hole. I decorated the wire and holes with ribbon and buttons. I added the flourish to the cups. Easy as pie!
