I made this for my husband's birthday, who is a big 49ers fan ... This year's birthday is more special because his team is going to the Superbowl. The card was wrapped up with the 49ers team logo ribbon. Go Niners!!

CRICUT®: WHAT WAS USED

Cricut Mni® Personal Electronic

Extreme Fonts

OTHER MATERIALS NEEDED

- silver gems
- Assorted card stock

- team logo ribbon
- Zip Dry Adhesive

I-Heart Emblem: Cut "I" and "heart" at 2" and welded from Cricut font & basic shapes on black glitter card stock; cut shadow with white card stock; cut 1 heart with red card stock, sized down. Glue shapes together. Embellish heart with silver gems. Note: The heart image was slightly tilted.

STEP 2

Using Extreme Fonts: 1) Cut "49" at 3.5" on red card stock, 2) cut "ERS" at 2.75" on red card stock. 3) on shift feature, cut the black layer using same dimensions. Glue layers together.

Using Cricut Craft Room Basics: For the underscore use the letter "I" at 4.75" and cut on glitter gold paper; enlarge the shape by about 1/4" and cut on black glitter paper. Glue layers together.

STEP 3

Using Cricut Font & Basic Shapes: 1) Use the oval shape image, sized at 7-3/4" and cut on white card stock; 2) size oval shape at 8" and cut on black glitter paper. Glue layers together.

Cut rectangle for background for team logo out of gold glitter paper at 8-1/4" long x5-1/4" wide.

STFP 4

Fold black card stock 8.5 x 11" into thirds: center section of the card at 5-5/8" and each end flap at 2-3/4". Glue only the top half of the "I heart" emblem on top of one flap; do not glue the bottom half of the "I heart". The bottom half will overlap the other flap of card. Adhere the rectangle gold glitter paper background in the center section of the black card stock and adhere the team logo. Zip Dry glue works well to adhere glitter paper.

STEP 5

Cut a length of 49ers logo ribbon long enough (apprx 28") to tie around the card with a bow.
