Cut the number hook pieces from the same coloured card or any coordinating card.

STEP 2

Cut the front stocking from coloured card and the back accent pieces from the same card.

Cut the back stocking and front accent pieces from the coordinating paper.

Cut number pieces from any coordinating card. I used the same as the front.

STEP 3

Use the correct accent pieces on both sides of the stocking.

Glue the sides together, leaving a clear space at the top.

STEP 4

Punch a hole in the top of the stocking and tie a ribbon with a big enough loop to hang the stocking.
Hang the number piece on the ribbon. Use a paint marker to label each stocking.

STEP 5

Repeat for as many as you need. We made 12 for the 12 days of Christmas.
Fill with gifts and hang.
