

RAVENS CROWN- EXTREME FONTS WEEK 2

Design by: [Annabugg](#) (1 Project)

About me: I am a proud mom and love to craft...so excited about my new Cricut machine.

Project skill level: [easy](#)

Project time: [30 minutes to 1 hour](#)

This Ravens Crown is intended for my grandmother for our SuperBowl Party, I made Ravens Boas so this was a perfect addition to set off her Ravens Spirit!!!

CRICUT®: WHAT WAS USED

Cricut® Storybook
Cartridge

Cricut® Car Decals
cartridge

Cricut Expression®
2

OTHER MATERIALS NEEDED

- Heavy Cardstock
- Glue Gun
- Elastic Cord
- Exacto Knife
- Adhesive
- Stapler
- Feathers

STEP 1

Using the Storybook Cartridge cut Shadow-Crown 2 at 5.75 inches with Glitter Gold Cardstock

STEP 2

Using Extreme Fonts Cut RAVENS at 2" using Black Cardstock then Cut RAVENS using Extreme Font Shift/Lock with Purple Card Stock also at 2"
With Adhesive, adhere the Black Outline to the Purple Letters, then adhere onto the crown

STEP 3

Using Car Decals Hodgepodge Cut with Brown Cardstock Dad3-s at 3" height in Cricut Craft Room which is the football, then using Hodgepodge again take off of shift and cut with white cardstock Dad3 which is the outline. With this outline I used an exacto knife to trim out the center lace. Adhere the lace onto the football and adhere the completed football onto the top of the crown.

STEP 4

Next using Cricut Craft Room Basics cut 6 Black Stars at .75" and 6 purple stars at .5"
Adhere the purple stars on top of the black stars, then place and adhere onto the crown

STEP 5

Next I used about 9 1/2 inches of elastic cording, I stapled each end of the cord to each end of the Crown, then I used a little hot glue near the staple to lock it in

STEP 6

For the final touches, use black feathers to represent the RAVENS, Place and use hot glue to adhere to the back side of the crown....And then your done! Show off your RAVENS Spirit...CA CAW!!!
