Clean & Simple Geometric

I used an 11x14 canvas as the base for this project for the second week of the Extreme Font Contest in the category Home. First, I used mod podge to adhere dictionary pages. The bigger dictionary letters spell "FAMILY." I then used Cricut's Extreme Big Font to cut the letters and added another layer of mod podge. I used the Valentine's Day 07 to cut the heart shaped hands in the middle. Finally, I added pre-cut corner edges and photographs.
