## STEP 1

I designed this card using a 4-3/8 x 5-3/4 card. I cut out from colored Card Stock Paper, 1 inch letters spelling BaBY from the (Free this week) Extreme Font Cartridge from the Cricut Craft Room. I punched 1-1/4 squares using Card Stock Paper, glued the letters to the squares and took silver ink and blotted the edges of the squares. I used an Embossing Machine using the Baby Clothes Line Folder and then ink blotted with green ink over the entire card.
