My daughter loves the Carousel Horses so I wanted to showcase that on one of my scrapbook pages.

CRICUT®: WHAT WAS USED

Cricut Expression® 2

Extreme Fonts Cartridge

OTHER MATERIALS NEEDED

Shiny Card Stock

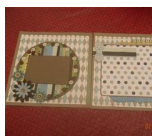

Flower Punch

Pink Brads

STEP 1

This page was very basic and easy to make. Sometimes I feel less is best. I basic corrugated a piece of Pink Paper to put my photo on as a background. I then cut the letter out of the extreme font in the size of .5 inches. I then used a flower punch to cut the flowers and layer and a brad to hold them together.
