HAPPY 25TH ANNIVERSARY - EXTREME FONTS WEEK #2

Design by: [char226796](#) (1 Project)

About me: I started with CRICUT to scrapbook....but quickly moved to cards. I dearly love CCR and have enjoyed making cards for family and friends for the past five years since I bought my first CRICUT.

STEP 1

This is a very simple project. I merely cut out my images and glued them onto the paper. Sorry, but I have had the paper for a while and it was loose, so I don't remember what papers I used here from what stacks. I do know they are DCWW papers.
