PROJECT CUT FILES

[Creative Cards \(CTMH Avonlea\).ccr](#)

STEP 1

Decide how you want to layer your colors

STEP 2

Cut each shape with your chosen paper pattern

STEP 3

Using a sponge dauber and chocolate ink pad, ink the edges of the patterned pages and the butterflies

STEP 4

Bend the wings of the butterflies and layer the small one on top the larger one - only placing glue in the middle so the wings can be moved

STEP 5

Stamp sentiment on inner page, ink edges and attach to inside of card using ATG or bonding memories glue

STEP 6

Attach all of the pieces to the front as shown and add gems to embellish

STEP 7

Gently lift wings of butterflies to desired look and your card is finished!
