PROJECT CUT FILES

STEP 1

Cut out 2 Easter from Cricut Projects Word Collage Cartridge. One in white vinyl, another in a contrasting color (shown in pink).

STEP 2

Carefully, remove words "Easter," "Spring" and "Alleluia" from Easter images with a craft knife.

STEP 3

Use transfer tape to transfer remaining image in white to top of shadow box. You should have holes where the words "easter," "spring" and "alleluia" were.

STEP 4

Take the words you removed from your contrasting vinyl color and use transfer tape to apply them to the holes that are on the top of your shadow box.

STEP 5

Add embellishments. I filled mine with Easter basket grass and decorative Easter eggs I found at the Dollar Tree!

STEP 6

You can take the remaining vinyl and make another shadow box with pink writing and white accent words and give it to a friend or loved one!
