Create a Critter Cartridge

Cricut Mini® Personal Electronic Cutter

OTHER MATERIALS NEEDED

Black white gray & yellow cardstock

Glue

STEP 1

With the CCR weld the shadow of the bee and beehive together, cut this out of gray cardstock. Then cut and glue other layers of respective colors onto the shadow base as if they were separate.

STEP 2

In CCR shrink the shadows of the bee and beehive (not welded) and cut them out of white and glue them onto the back part of the welded shadow.

STEP 3

Now let your imagination BEE crazy!! You can put anything you like as a saying, Bee strong in the Lord, Be happy, Bee hopeful, BusyBee, you're un-Bee-lievable, Bee Mine, I'll Bee there, and on and on and on! Great for anyone, anytime! And you can fold the bee over the back to make it like a small card.
