Cute cupcake cards that can be used as tags, recipe cards or for taking notes.

CRICUT®: WHAT WAS USED

Create a Critter Cartridge

Cricut Mini® Personal Electronic Cutter

OTHER MATERIALS NEEDED

Red cardstock

Purple cardstock

White Cardstock

Pink cardstock

Black cardstock

Glue

STEP 1

In the CCR grab the cupcake from the Create a Critter cartridge and hide and contour out the smiley face on the cupcake (or leave it if you like it). Then copy and paste the altered cupcake top and cut out of pink cardstock. Cut Cherries out of red cardstock, and the "cup" out of purple cardstock.

STEP 2

Cut the cupcake shadow out of black and then cut the cupcake shadow (without the cherry) out of white.

STEP 3

Glue all pieces together accordingly, give as a gift or enjoy them for yourself.
