## NASCAR BIRTHDAY CARD

**Design by:** JenniferLee (1 Project)

**About me:** I am a newlywed, and I love to craft! Looking to make a scrapbook of the wedding planning, and learn as much as I can before we have any little ones running around.

**Project skill level:** easy

**Project time:** less than 30 minutes

**Project tags:** Birthday Country Celebration Sports/Fitness Cards Hobbies Clean & Simple

Our brother-in-law was turning 29, and he loves Nascar! His favorite driver is Tony Stewart (#14), so I designed a card just for him. This can be modified for any driver & age of person.
