A very simple standard A2 birthday card using the "cut free" Craft Room Southwest cartridge.

CRICUT®: WHAT WAS USED

Cricut Mini Personal Electronic Cutter

Southwest Cartridge

OTHER MATERIALS NEEDED

Black and gold metallic cs from stash

Stamp a mania Midnight Black emb powder

Glue Glider Perma Tac

"Emboss it" embossing pd

Foam adhesive

STEP 1

Cut card base 4 1/4 x 5 1/2 using medium weight card stock from my stash.

STEP 2

Using the Emblems & Borders Layer feature, picked "desert-s" (row 2, column 3) at 5.167 x 4.25 in black metallic card stock and at 4.806 x 3.083 in gold metallic card stock.

STEP 3

Using the Basic feature picked the Kokopli (row 1, column 1) at cut at 2.403 x 5.264

STEP 4

For the inside of the card I picked an emblem for a background to a border to be stamped with sentiment.

STEP 5

Picked a border design and cut it at 3.75 x 1.0 then stamped it with sentiment to be embossed.

STEP 6

Again using the Emblems & Border Layer feature, picked a border design to be used on the bottom inside of card and cut it at 4.25" x .75"

STEP 7

Assembled pieces to complete card.
