I needed a pop of color in our dining room. I had the three pics of our little town of long ago and decided I would create an old weathered sign of the town name to hang beside it. I used Folk Art Festival and some vinyl and a corner paper punch and created stencils. I first painted the sign an orange/coral color let it dry and sanded it. Then I placed the stencils on and using a sponge I applied the black paint....after it dried, I sanded. Then with a small liner brush and some white paint I added some dimension around the lettering. Added a hanger on back and hung it next to the old photos.
