CRICUT®: WHAT WAS USED

Cricut Expression® 2

Southwest Cartridge

STEP 1

Choose your paper colors - Try to have them coordinate and to incorporate the southwest colors

STEP 2

Cut your saying using the Southwest Cartridge Font. Then cut the background as shown as well as the other images on the appropriate colored paper.

STEP 3

Put all of the pieces together on the paper and arrange to your liking before pasting down...this is where you can really explore what you like and what you don't like.
