Southwest Cartridge

OTHER MATERIALS NEEDED

Patterned & Solid Card Stock

Jute Ribbon

Rust Colored Ink

Foam Tape

Zig 2 Way Glue Pen

STEP 1

I began with a stair step card base using directions found on YouTube by Jackie Topa.

STEP 2

I cut the vase and pottery images from the Southwest cartridge in varying sizes (1 inch, 2.5 inches, and 4 inches). I inked the pieces with a brown Color Box ink before assembling them with my Zig Two Way Glue Pen.

STEP 3

I cut patterned background paper at 3 1/4 x 3 3/4" and 1 3/4" x 3 1/4" and mounted it on dark brown card stock mats and applied to both sides of card base. I applied jute ribbon across the bottom of the card. Using foam tape I applied the vases and pottery to the card.
