I used the free Cricut download Southwest cartridge and a tiny hanging bat from Batman: The Brave and the Bold® for an easy Halloween card.

CRICUT®: WHAT WAS USED

Cricut® Personal Electronic Cutter Machine

Batman The Brave and the Bold® Cricut® Cartridge

Cricut® Everyday Cartridge, Southwest

OTHER MATERIALS NEEDED

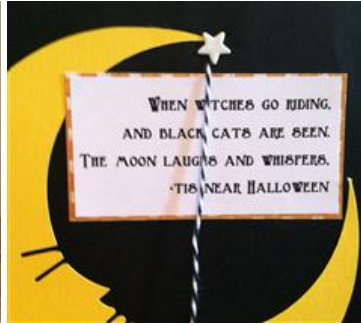

- black cardstock
- black & white striped baker
- black & white stripe washi tape
- metallic Cardstock
- star brad
- mustard pattern checked paper

STEP 1

Use black cardstock in any size you would like for the basic card. Using the Southwest Cartridge cut a moon shape. Place moon on the card however you desire. (I like to hang my patterns of the edge... you choose!) Print the vintage saying, "When witches go riding, and black cats are seen. The moon laughs and whispers, 'tis near Halloween." Add a mat in any color to the saying and place on the card. Use a star brad to hang a metallic chording bat, and you have a very cute front of your card! On the inside I simply added some circles and washi tape to add a little detail and included a "Happy Halloween" message!
