Southwest Cartridge

OTHER MATERIALS NEEDED

brown cardstock

square punch

patterned paper

brown rub on lettering

STEP 1

I used the Southwest Cricut cartridge for the moon and the design inside the card. Make the patterned look on the front of the card by punching squares and placing them in a diamond pattern. I used rub on letters spelling out the word Dream.

Dream

STEP 2

On the inside of the card I continued the Southwest diamond pattern and used brown rub on letters spelling out the word BIG!
