A quick card project using the Southwest Cricut cartridge.

CRICUT®: WHAT WAS USED

Cricut Expression® 2

Southwest Cartridge

OTHER MATERIALS NEEDED

brown card stock

turquoise pattern paper

square silver brads

pattern washi tape

white cardstock

adobe color paper

white cording

turquoise paper

STEP 1

Use the Southwest Cricut cartridge to make the love cut, the wheel cut, the feathers, and the love phrase layer and the love emblem layer. To make the "dream catcher" simply cut the spokes from the wheels, and using the baker's cording go back and forth within the wheel and secure. I thought the turquoise, adobe, and brown colors gave this "dreamy" card a Southwest feel. Easy & fast!
