OTHER MATERIALS NEEDED

Blue Metallic Paper

Small Black Metallic Brads

STEP 1

I made my Dream Big Subway Art from PicMonkey on light blue paper with black print. Using the Southwest Cricut Cartridge I used the metallic blue paper for the Dream Catcher, feathers, and Love You Phrase. I also made feathers and the Love You Background Phrase from the Southwest Cartridge. I added two shiny black brads and added it all to a darling frame. (I believe the frame is a Creative Memories frame that I have had for years! Easy!
