## STORY STICKS / CUPCAKE TOPPERS

**Design by:** [Markkins](#) (3 Projects)

**About me:** I am a mother of four little boys. I love using my cricut to make things to do with them for school, or as low calorie presents for friends ;)

**Project skill level:** [easy](#)

**Project time:** [less than 30 minutes](#)

These story sticks are easy to make, and help the imagination grow!! Just pull a stick from the container during a story to help foster the imagination and story telling skills of young children. Or use them as cupcake toppers for a southwest themed party.

### CRICUT®: WHAT WAS USED

### OTHER MATERIALS NEEDED

4 colors of card stock

craft sticks

glue

container

### PROJECT CUT FILES

[Southwest story sticks.ccr](#)

#### STEP 1

Cut 8-10 2.5-inch emblems/borders for the bull skull from Southwest cartridge.

#### STEP 2

Cut 8-10 3-inch emblems/borders for the Kokoplli from Southwest cartridge.

#### STEP 3

Cut 2 inch shapes of choice for characters/ objects for stories (same amount as you have cut of the emblems/borders). \*NOTE: some characters such as the buffalo, horse, and armadillo will need to be scaled down smaller than the 2 inches.

## STEP 4

Glue characters/objects to the emblems/borders cut outs. Then glue the emblem/borders to the craft sticks.

## STEP 5

OPTIONAL: Make a container by cutting a rectangle the same height as your intended container, and slightly longer than the circumference. Glue the rectangle to the container, and fill.
