BAKING SUPPLY LABELS

Design by: SarahMchele (8 Projects)

About me: While working on my degree to become a Special Education teacher I love to craft in my spare time. I mainly do paper craft but have recently started to venture out.

Project skill level: easy

Project time: less than 30 minutes

Project tags: Christmas Home Décor/Accents Organization Wedding Trendy House Warming

Clean & Simple Jars

The inexpensive baking supply canisters are a great idea for a house warming gift, Christmas gift, et cetera.

CRICUT®: WHAT WAS USED

Lyrical Letters Cartridge

Cricut Expression®2

OTHER MATERIALS NEEDED

Vinyl

Transfer Tape

Canister Set

STEP 1

Clean up the canisters you have chosen for the project to ensure the vinyl will stick the best

STEP 2

On either your Cricut screen or Cricut Craft Room find the font you wish to use and size according to your different canisters. (For this particular project I used LoopDeeLo with CCR.)

STEP 3

Cut vinyl. I choose Provo Craft pink vinyl but you may choose whichever vinyl colors best suit your project.

STEP 4

Remove excess pieces from cut vinyl (for example the space from inside of an 'o' as well as the excess around the word) and place transfer tape onto of image/word/label.

STEP 5

Finally, rub the cut out word, label, onto your canisters.
