One of my first cards made using left over papers from a scrapbook I used the cartridge A Childs Year

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut® A Child's Year Cartridge

OTHER MATERIALS NEEDED

Card Stock

Pop Up Dots

A4 Standard Card

Martha Stewart Star Punch

Adhesive

Cricut

Score Board

STEP 1

You can use a standard A4 Card or make a base card using Card Stock and Score Board. Then used a Martha Stewart Stars Punch anywhere punch for stars. Use Cricut to die cut images I used A Childs Year pick your images with shadows then layer onto card using glue and pop up dots. I used coordinating paper for the inside of the card and used the punched stars to embellish envelopes. Super quick and easy!
