A two-sided bunny to hold a lollipop!

CRICUT®: WHAT WAS USED

Cricut® Animal Kingdom Cartridge

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

OTHER MATERIALS NEEDED

ribbon

lollipop

STEP 1

I welded two rabbits from the Animal Kingdom cart using an oval from Craft Room Basics to join them. Then fold at the bottom of each rabbit, insert a lollipop and tie ribbon around the neck! I used a hole punch for the eyes and hand cut a small triangle for the nose. The mouth was hand drawn. These will stand on tables or desks.
