STEP 1

This card was designed following the idea behind the flower pot cards. Cut two baskets from the Doodlecharms cart and glue together only along the sides and bottom. Cut a card to slide inside the basket and add your sentiment. Attache the eggs to the top of that card. Create your little bunny using shapes from George and attach the bunny to the edge of the basket. There's another photo of the card removed from the basket on my blog: http://231.photobucket.com/albums/ee261/trentfamily/IMG_6466.jpg
